Edward J. Radlo, Reg. No. 26,793

Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450

Sir:

Pursuant to the provisions of 37 CFR § 1.56 and §1.97-§1.98, Applicants hereby submit
patents, publications, and other information enclosed herewith and listed on the enclosed Forms
PTO/SB/08a of which they are aware, which they believe may be material to the examination of
this application and in respect of which there may be a duty to disclose.

A list of the patents, publications, and other information is set forth on the enclosed
Forms PTO/SB/08a. A copy of each of the listed items is supplied herewith, except for issued
United States patents.

Most of the listed items emanated from litigation involving commonly owned related
patents and were first communicated to the undersigned in October 2007.

While the information and references disclosed in this Information Disclosure Statement
may be "material" pursuant to 37 CFR § 1.56, submission of this IDS is not intended to
constitute an admission that any patent, publication, or other information referred to herein is
"prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that this Information Disclosure Statement complies with 37 CFR § 1.98 and MPEP § 609, and the Examiner is respectfully requested to consider the listed references.

This Information Disclosure Statement is being filed after the mailing of at least one Office Action but before the mailing of a final Office Action. We are enclosing the fee of \$180.00 set forth in 37 CFR §1.17(p). The Commissioner is hereby authorized to credit any overpayment and to charge any deficiency in any required fee to the Deposit Account No. 19-3140. This sheet is being enclosed in duplicate.

Respectfully submitted,

date of signature: Nov-28, 2007
